

# Feliz Cumpleaños Frida Kahlo

Frida Kahlo is one of Mexico's greatest painters. Her intense works of art were mirrored by her intense passion in life. In 1942, Frida invited guests to her 35th birthday celebration telling them to come "ready to eat every kind of food, to let their hair down and to sing their hearts out." Join us in celebrating Frida's birthday by enjoying specials inspired by her favorite Mexican foods, those that she served her guests at her home in Coyoacán.
